

Lees Hill Renewable Energy Park

PUBLIC EXHIBITION

VIEW THE PLANS | LEARN ABOUT THE PROPOSALS | HAVE YOUR QUESTIONS ANSWERED

Fred. Olsen Renewables is proposing to develop Lees Hill Renewables Energy Park, approximately 5km west of Duns.

We are at the early stage of our proposals, and we are holding five events where you will be able to:

- View the current plans
- Learn about the studies we are undertaking
- Have your questions answered
- Submit your views

If you can't attend. Please:

- View the materials online
- Request printed materials
- Get in touch to set up a discussion
- Submit your questions and comments
