370000

380000

650000

Project:

Lees Hill Energy Park, Duns, Scottish Borders

Title:

Zone of Theoretical Visiblity of Solar Arrays

Key

- Turbine locations
- Proposed Development Area
- Buffers (5 km intervals)
- Proposed Solar Development Area

Zone of Theoretical Visibility (ZTV)

- solar PV visible

Notes: The ZTV is calculated to solar PV heights of up to 3 m, from a height of 2 m above ground level. The terrain model is bare ground derived from Ordnance Survey Terrain 50 height data. Earth curvature and atmospheric refraction have been taken into account. Reproduced using Ordnance Survey digital map data. © Crown Copyright 2023. All rights reserved.
